Once a VITian, Always a VITian

Vinit Shahdeo

GitHub Star

INDUCTION SESSION | VIT VELLORE

- Former lead of **CodeChef** VIT, **VinnovateIT**
- Graduated in 2019 (**B.Tech in IT**)
- Senior Software Engineer at **Postman**
- **GitHub Star**, from India
- **Google Summer Of Code** Mentor at AsyncAPI
- **Mentor** at Scaler Academy, BarRaiser

How do you feel about VIT?

Are you happy being in VIT?

Agenda of today's talk

- Placements
- Cracking coding interviews
- Things to do at VIT
- Open Source (GitHub)
- Digital Footprint
- Q & A

Placements

I say VIT, they hear placements

More than 400 companies have visited us including
Amazon, **Microsoft**, **PayPal**, **Apple**, **Oracle**, **Samsung**, **Dell**, **HP**,
Bank Of America, **JP Morgan & Chase**, **HSBC**, etc.

VITians all over the industry

Off Campus Jobs FTW!

You can find your seniors in **FAANG**,
unicorn startups of India like **Postman**, **Gojek**, **CRED**, etc.

How?

How do I get placed in these companies

Ace your fundamentals

DBMS | OS | CN | OOPS | DSA

Code Daily

Practice problems online on sites like HackerRank, HackerEarth, Leetcode, etc.

Does CGPA matter?

Privileges of being 9 pointer

Digital Footprint

7 billion people and what makes you stand out?

“GitHub” way of life

github.com/vinitshahdeo

GSoC | Hacktoberfest | GSSoC | Outreachy | MLH

LinkedIn

Your network is your net worth!

Twitter

Follow #DevCommunity on Twitter for opportunities

Clubs and Chapters

Follow your passion

Gain Skills

Web Dev | App Dev | ML | AI | Blockchain | AR/VR

Hackathons

Innovation | Networking | Fun

Learn to communicate

Communication is the biggest asset you can have!

Make friends & have fun!

The four years at VIT will never return

Thank you!
